

PURVA TAJNE

SAP PI/PO Consultant

purvatajne28@gmail.com | 7066403233 | linkedin.com/in/purva-tajne-922143169

Profile Summary

Experienced **SAP PI/PO** and **CPI Consultant** with 3+ years of experience in the **design, configuration, and optimization of SAP integration solutions**. Proficient in configuring adapters (**File, IDOC, RFC, SOAP**) and developing integration components for seamless SAP system integrations. Have basic knowledge of SAP CPI for cloud-based integrations, using modern APIs such as OData and REST to connect on-premise and cloud systems. Successfully migrated **100+ interfaces** in SAP PI/PO, ensuring efficient data flow, performance optimization, and minimal downtime during transition. Experienced in **monitoring and troubleshooting SAP PI/PO and SAP CPI environments**, ensuring high performance and reliability. Proficient with SAP NetWeaver for system integration and middleware functionality, with added knowledge of ABAP and Java. Proven ability to manage production support, resolve complex integration issues, and deliver robust, scalable solutions aligned with business requirements.

Experience

Application Development Analyst, Accenture Solutions pvt ltd.

Mar 2024 – Present

- Configured and optimized adapters (File, IDOC, RFC, SFTP, SOAP, PROXY) for SAP PI/PO integrations across cloud and on-premise systems.
- Migrated 100+ interfaces in SAP PI/PO, ensuring seamless transition with performance optimization and minimal downtime.
- Have basic knowledge of SAP CPI, including cloud-based integration concepts and modern API frameworks (OData, REST).
- Optimized and monitored SAP PI/PO (proficient) and SAP CPI (basic knowledge) performance using advanced monitoring tools, improving system efficiency and reliability.
- Collaborated with cross-functional teams to support CPI integration solutions and contribute to cloud integration discussions.
- Managed transport and deployment of integration objects using CTS+, ensuring system stability and consistency across landscapes.
- Performed proactive monitoring and resolved issues in both SAP PI/PO and CPI environments, minimizing disruptions to business operations.

Application Development Associate, Accenture Solutions pvt ltd.

Dec 2021 – Feb 2024

- Configured adapters (File, IDOC, RFC, SFTP, SOAP, PROXY) to enable efficient communication and data exchange between SAP systems.
- Designed and implemented integration components, including service interfaces, message mappings, and operation mappings in SAP PI/PO.
- Monitored SAP PI/PO system performance and addressed issues to maintain optimal system uptime and message flow.
- Collaborated with technical and functional teams to deliver integration solutions that improved system communication and reliability.
- Managed the transport of integration objects and configurations using CTS+, ensuring smooth deployment across environments.
- Provided production support, including troubleshooting and issue resolution, to ensure uninterrupted system operations.

Education

Sipna College of Engineering and Technology, Amravati , B.E. in Computer Science	Aug 2016 – May 2020
Jagadamba Junior college, Yavatmal , H.S.C	June 2014 – May 2016
Rani Laxmibai Vidhayalay, Yavatmal , S.S.C	Aug 2013 – May 2014

Projects

CIPLA Healthcare

- Successfully configured and optimized 7+ adapters (File, IDOC, RFC, SFTP, SOAP, PROXY) to enable seamless SAP integration.
- Designed and developed 20+ service interfaces to meet diverse business requirements.
- Provided end-to-end troubleshooting support, resolving 120+ tickets across critical, high, and medium priorities.
- Improved system performance by 25 percent through proactive monitoring and issue resolution using Runtime Workbench and PI Monitoring tools.
- Worked on basic SAP CPI (Cloud Platform Integration) tasks, setting up connectivity, and handling system integrations.

SKILLS

Technical skills : SAP PI, SAP PO, SAP CPI, SAP ABAP

Tools : SAP Netweaver, SAP GUI, SAP R/3, CTS+, SAP PI/PO

Adapters : File, IDOC, RFC, SFTP, SOAP, PROXY

Frameworks : Graphical Mapping, Graphical Design, Debugging, Testing in SAP PI/PO

Soft Skills : Troubleshooting, Effective Communication, Team Collaboration, Root Cause Analysis.

Languages : English, Marathi, Hindi
